POSITION
DESCRIPTION AND
LOCATION(S)

A **Teacher, High School-Physical Education, CF (Teacher)** helps individuals committed to CDCR State correctional facilities prepare to become productive and contributing members of society by training them in academic subjects and by helping them to develop socially acceptable attitudes and interests. The Teacher gives both individual and group instruction, conducts assessment and testing, and in many instances, participates as a member of an interdisciplinary treatment team; is responsible for supervising the conduct of the students while in the classroom and may be called upon to assume general custody responsibilities in time of emergency.

The Department stipulates that Teachers play an important role in the total education, treatment and training process, as well as in teaching the skills which will enable the individual to seek occupational opportunities. The Teachers' tasks include: planning, assigning, and supervising work; maintaining control and discipline in the classroom; controlling all materials and equipment which may be used as potential weapons; preparing courses of study and daily lesson plans; counseling students as to progress in the instructional program; working with students and helping them set and meet educational needs and goals; participating in program evaluation; participating in extracurricular programs; preventing escapes and injury by students to themselves or others or to property; inspecting premises and searching for contraband, weapons or illegal drugs. Teachers may be assigned to work temporarily, in accordance with bargaining unit contract and Department of Personnel Administration regulations, in specialties other than those for which they were hired. In addition, they may work with treatment teams that combine the services of personnel in the custody, academic, vocational, psychiatric, and casework areas. Teachers have an important role of providing information of an educational nature which can help other members of the team to better determine each student's treatment needs. In new and developing programs, Teachers will participate in the development and continuing revision of curriculum; and does other related duties.

Position(s) exist in CDCR adult institutions and juvenile facilities statewide.
